

# STONE AGE

During the Autumn Term our Topic will be 'The Stone Age'.

Can you think of any evidence in Britain where we know the Stone Age occurred?

Throughout the topic we will be looking at periods of the Stone Age, how the people lived during this time and compare it to how we live in 2020.

Do you recognise this infamous structure found in Britain below?

## STONEHENGE

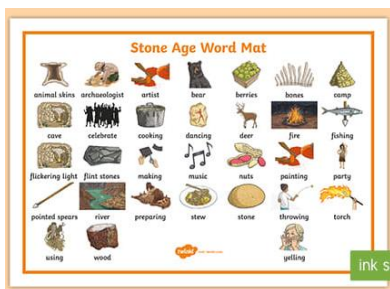

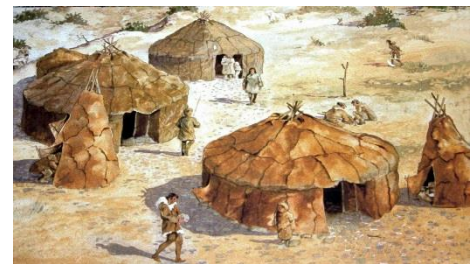

We will be research how and why Stonehenge was built throughout our study of the Stone Age and the Iron Age.

## FANCY A BIT OF SPLENDID SUMMER FUN FOCUSING THE STONE AGE?

You could have a go at completing some of the activities below to begin to learn about our Topic:

- ❖ Visit Stonehenge and take pictures
- ❖ Build Stonehenge or their huts out of materials you have at home (e.g. Lego, cardboard, paper mache) and take pictures

- ❖ Write or draw pictures of your favourite journey.
- ❖ Can you name different modes of transport? You could design your own mode of transport. Will it float? Will it fly?
