

LOCKDOWNS—Information for parents

All schools practice Lockdowns in case of incidents in the local area such as a chemical spillage or dangerous dogs etc.

In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable and as advised by the Education Officer.

Parents will be told via the website and by email:

'..the school is in a full lockdown situation. During this period the switchboard and entrances will be un-manned, external doors locked and nobody allowed in or out...'

Do not ring the school as this will tie up telephone lines for the emergency services and do not come to the school as this may prevent access by emergency vehicles and may put you or others in danger.
