# Our Classroom

We have a big, bright classroom where we play and learn. We have lots of toys like lego, cars, construction and puzzles. We have a role play area and a creative area for making things. We have a reading corner to enjoy looking at books.

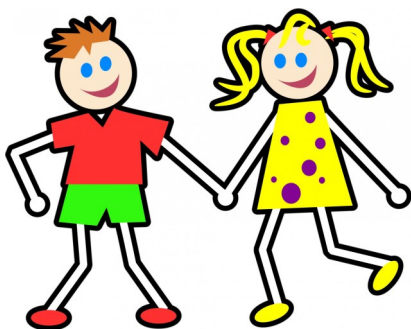

# Other important places

Children in Reception have their own toilets. There are coat pegs outside our classroom where we put our coats and PE bags.

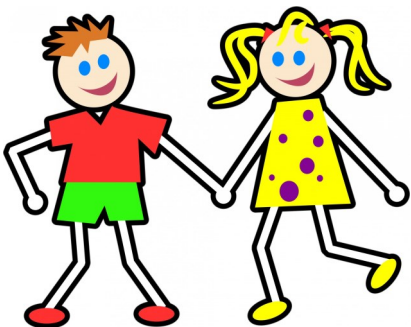

# Our little playground

This playground is just for our Reception class. We play here during the day and at lunchtime. We have a sandpit, a mud kitchen, a climbing frame, a water tray, a playhouse, scooters, bikes and lots more!

# The big playground

This is the big playground. We play here at morning break and have PE outside each week. There is a trim trail, a basketball court and a big field to run around.

# Out and about at school

At our school we have a swimming pool where we enjoy lessons in the summer term. We have a pond where we can do lots of investigating. We also have a quiet garden where we can sit quietly or have storytimes.

# Other places around our school

Other places you will visit at school are our library where we have some wonderful books and a big hall where we have our assemblies, lunch and indoor PE.
