Friday 26th March 2021

Dear Parents/Carers,

This week has been a busy week as it's been 'Assessment Week'. Staff have baselined our children and interventions and support groups are in full swing. It's been lovely walking around school and seeing all of our classes working so hard and being back into a strong routine and following our school rules and enjoying their learning and playtimes. Playtimes are running smoothly and lunchtimes have been very calm. We continue to not have any bubble closures, which is brilliant news!

Physical Activities

This week draws our 'Amazing School Run' competition to an end. The children have enjoyed their challenge of running 1km and trying to beat their personal best over the past two weeks. The winners for each class will be announced next week. The children also continue to run the 'Daily Mile' each day and it's been great to see our children (and staff!) keeping active.

Our new 'Fresh Air Fitness' is proving a big hit with the children and we look forward to our swimming lessons for Year 1 - 6 starting up in the summer term. We will send out information regarding this shortly.

Online Safety

There is an [online safety](#) 'Helping your child stay safe online' live parent/carer event on Tuesday 30th March at 3.30. Click the link to pick up some top tips from Google Education.

Clubs

We are pleased to be able to offer 12 clubs in the Summer term, with an emphasis on physical activity for all year groups. Booking information has been sent out via the office for you to book your child's slot.
